

ICT50220 DIPLOMA OF INFORMATION TECHNOLOGY

COURSE BROCHURE FOR INTERNATIONAL STUDENTS

ABOUT THE COURSE

This is a practical and hands-on qualification aimed at equipping the learners with the skills and knowledge in information technology. This qualification reflects the role of individuals in a variety of information and communications technology (ICT) roles who have established specialised skills in a technical ICT function.

Individuals in these roles carry out moderately complex tasks in a specialist field, working independently, as part of a team or leading a deliverable with others. They may apply their skills across a wide range of industries, business functions and departments, or as a business owner (sole trader/contractor).
